RE: Town of Fremont Municipal Burn Site

Dear Mr. Cordes:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by the Town of Fremont in response to Administrative Fine by Consent No. AF 02-017 ("the AFC") executed on July 15, 2002. DES believes that the specific issues addressed in the AFC have been resolved in a manner consistent with the NH Administrative Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution. Based upon a determination by DES that compliance with the AFC has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Town of Fremont. This letter does not provide relief against any existing or future violations, and refers only to the compliance issues addressed in the AFC.

DES recognizes the efforts that the Town of Fremont has taken to come into compliance. If you have any questions regarding this Letter of Compliance, or the enclosed Administrative Rules Env-A 1000, *Prevention, Abatement, and Control of Open Source Air Pollution*, please contact Barbara Hoffman, Compliance Bureau, Air Resources Division, at (603) 271-7874. Thank you for your cooperation.

Sincerely,
